**“The content is amazing. There are so many more records, articles, books, products than we’ve had in the past and the quality is wonderful. Being able to search all of the *Gale Literary Resources* together is so helpful and the breadth and depth of primary source information is most impressive. Our students are about to have an easier semester with more resources to use.”**

- Sally Murray, Librarian, The American University of Paris Library

*Gale Reference Complete* enables users to access millions of pages of primary sources, e-reference and periodical content on Gale’s superior platforms designed to streamline the student and researcher workflow. The sheer breadth of the package – combining proprietary e-reference content from Gale, JCR-quality periodicals, literary criticism and full text literary works as well as rare primary source content from the vaults of the world’s great libraries – means that every student and researcher will find a rich store of relevant information to enhance their learning and research.

Empowering students and researchers to achieve superior learning and research outcomes, *Gale Reference Complete* offers affordable library subscription access to the most comprehensive package of Gale’s online resources including:
